

INVITATION OF THE REPRESENTATIVES OF THE APISLAVIA MEMBER STATES

The meeting will be held from 14–16 October 2009.

1. The invited representatives of the Apislavia member states will arrive in Nasavrky (District of Chrudim) or at the Prague Ruzyne Airport on 14th October 2009. The participants arriving by plane in Prague will then have to connect on to Nasavrky at 5 pm. We ask the invited participants of the Apislavia member states to send an e-mail to the Czech Beekeeping Union about the time of their arrival at the Prague airport. The arrival of the flight needs to be arranged so that the participants can connect on to Nasavrky from the Prague city centre at 5 pm at the latest. Those with individual travel arrangements will be expected and welcome directly at the Beekeeping Educational Centre in Nasavrky.
2. On 15 October 2009, there will be a ceremonial meeting commemorating the anniversary of J. Janiš. A trip to Slapce (near Rakovník), the place where he lived, will be a part of the event. The return to Nasavrky is scheduled for late afternoon.
3. The meeting of the Presidium/Committee of Apislavia will be held on 16th October at the Beekeeping Educational Centre in Nasavrky.
4. The event will close in the afternoon and the participants travelling home by plane will be driven to Prague. Please consider a late afternoon or evening flight when booking your return ticket.
5. The representatives of the Apislavia member states should provably substantiate the number of beekeepers in their country and provide evidence that their membership fee was paid.
6. Apislavia and the Czech Beekeeping Union recommend that two representatives of the Slovenian Beekeeping Union are also invited; they will probably be interested in joining the event.
7. Apislavia and the Czech Beekeeping Union recommend that the President of the Austrian Beekeeping Union, Mr. Ulz (plus one person), and the President of the German Beekeeping Union, Mr. Maske (plus one person), are also invited.

Regards,
