ABSTRACT SUBMISSION IS AVAILABLE!

We invite you to submit an abstract for the 50th Apimondia International Apicultural Congress in Dubai, United Arab Emirates.

Our Jubilee Congress will bring together beekeepers, researchers, scientists and the wider apiculture community from around the world to exchange knowledge, present the latest scientific research and share innovation, best practices and experience.

Under the theme **“Beekeeping for the Future: Educate, Innovate, Sustain,”** the scientific programme will look ahead to the challenges and opportunities facing bees and beekeeping and help shape the next 50 years of global apiculture.

Please **click here** to check the Abstract Submission Guidelines and Main Topics for Abstract Submission.

MAIN SYMPOSIUM TOPICS

Day 1 / SUSTAIN

Arid-Land Beekeeping for a Climate - Changed World

Day 2 / EDUCATE

Climate Adapted Genetics and the Global Spread of Pests and Pathogens

Day 3 / INNOVATE

Extreme Climate Driven Challenges of Honey Production and Economic Trade

Day 4 / FUTURE

New Technologies, Bee Product Authenticity, and Youth Initiatives
